

Founded in 1984

Over 280 Employees*

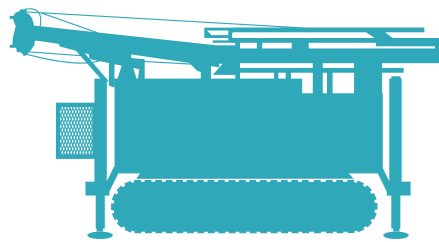

*Total employees for Geotechnology, LLC and Geotechnology Exploration, LLC

- 37 Professional Engineers
- 15 Registered/Professional Geologists
- 7 Environmental Scientists
- 3 Geophysicists
- 56 Drillers/Drillers Helpers
- 106 Technicians/Analysts
- 32 Administrative/Sales

Services

- Geotechnical Engineering,
- Construction Materials Testing,
- Special Inspections,
- Geophysics,
- Environmental Engineering,
- Deep Foundation Testing, and
- Exploration

Instruments

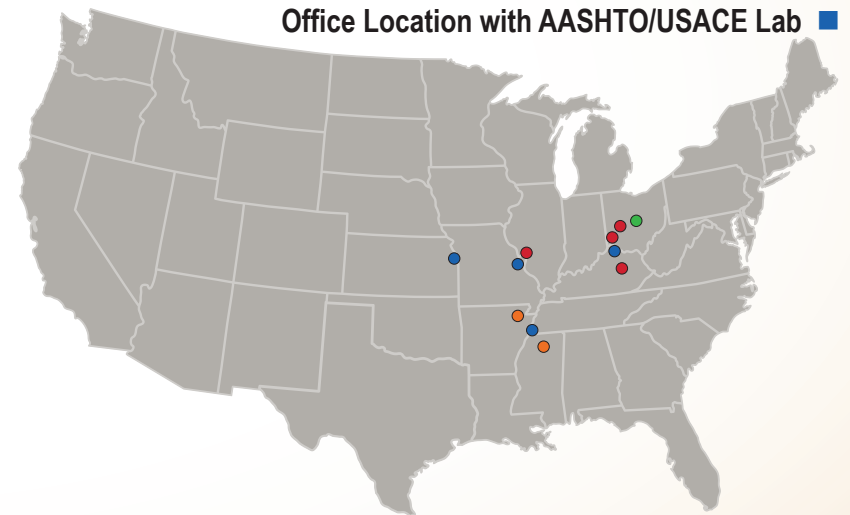

Full complement of surface and borehole geophysical instruments for imaging geotechnical and environmental targets

Equipment

- 22 Exploration rigs, plus 1 - 20 ton CPT rig, GeoProbe 3230 Combo rig, GeoProbe 7822DT Combo rig, two Terra Sonic 1500CC sonic drills
- 1 set of Seismic Cone Penetration Test (SCPTu) equipment
- 3 Crosshole Sonic Logging System (CSL)
- 2 Pile Dynamic Analyzers (PDA)
- 1 Downhole Camera
